Authorization for Release of Protected Health Information

Legacy version

Purpose: The purpose of this disclosure of information is to improve assessment and treatment planning, share information relevant to treatment, continuity of care and, when appropriate, coordinate treatment services. This disclosure is a request of the individual client or his/her legal representative.

Unless revoked in writing, this consent shall be valid for 365 days from the date of signing this contract, not to exceed one year.

Form of Disclosure: Unless you have specifically requested in writing that the disclosure be made in a certain format, I reserve the right to disclose information as permitted by this authorization in any manner that is deemed appropriate and consistent with applicable law, including, but not limited to verbal, written, or electronic format.

The doctrine of informed consent has been explained to me, and I understand the contents to be released and the need for the information. I hereby acknowledge that this consent is truly voluntary and is valid until such request is fulfilled. I further acknowledge that I may revoke this consent in writing at any time, except to the extent that action based on this consent has been taken. I also understand that revocation of this consent will not condition my treatment.

I understand that the HIPAA privacy law protecting health information may not apply to the recipient of the information, and therefore, may not prohibit the recipient from redisclosing it. I understand that mental health and development disability information is protected by N.C. State law (G.S. 122-C), and substance abuse treatment information is protected by federal law (42 C.F.R., Part 2)
